

kids 5-7

5-7 YEAR OLDS TUITION FOR EACH CAMP IS \$165 WITH A SUPPLY FEE OF \$25 PER CAMP.

DIGGIN' DINOSAURS

JUNE 6-10

1:30-4:30

If your child has a passion for the prehistoric let them join us for a week of fun dinosaur themed projects. Make a clay dinosaur egg that opens to reveal a baby dinosaur, a fossil casting and a painting of the Land before Time.

FAR OUT FUN

JUNE 13-17

9:30-12:30

Mysteries of the solar system and fun fantasy sci-fi will be explored and illustrated in this week long class. We will learn about such phenomena as black holes, comets and constellations. Build an alien space craft out of clay, a constellation viewer and more out of this world projects.

PURR- FECT PETS

JUNE 20-24

9:30-12:30

Our canine and feline friends will be our inspiration for a variety of projects this week. Paint a pet portrait and make a personalized feeding bowl out of clay along with other creations to pamper and honor these treasured family members.

"JUST SO" ANIMAL STORIES

JULY 11-15

9:30-12:30

This week we will be exploring some of the wondrous tales of Rudyard Kipling's Just So animal stories about how certain animals came to have their unique characteristics. We will use the stories as inspiration for projects based on some of the animals such as the leopard, the camel, and the elephant using a variety of media from clay to paint.

HOW DOES YOUR GARDEN GROW?

JULY 18-22

9:30-12:30

Join us for a week of making outdoor art for the yard or garden. We will make a variety of creations both functional and decorative to fill your outdoor space.

WHAT'S BUGGING YOU?

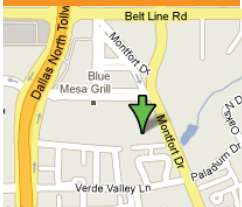

AUG. 1-5

9:30-12:30

Get to know more about the incredible insects that live all around us. We will make fun, cute and colorful projects using butterflies, ladybugs, bees and other "bugs" as inspiration. Projects include bug shaped clay dishes, a faux bug collection and a bug tie-dyed t-shirt. We are going to go buggy over bugs.

KID'S AND TEENS ART CAMPS

SUMMER 2011

We've moved! Come join us in our new Addison location! See back.

kids 8-12

8-12 YEAR OLDS TUITION FOR EACH CAMP IS \$165 WITH A SUPPLY FEE OF \$25 PER CAMP.

THROWING ON THE WHEEL	JUNE 6-10	1:30-4:30
THROWING ON THE WHEEL	JUNE 13-17	1:30-4:30
THROWING ON THE WHEEL	JUNE 27-JULY 1	1:30-4:30
THROWING ON THE WHEEL	JULY 25-29	1:30-4:30
THROWING ON THE WHEEL	AUG. 1-5	1:30-4:30

Throw it like you mean it! Learn to use a potter's wheel -- no previous experience is required. Each week of classes will cover the basics of creating ceramic forms on the wheel, and more experienced students will continue to hone their skills. Instruction will include learning to trim their pots and using decorating techniques to personalize their work.

HAND BUILDING	JULY 18-22	1:30-4:30
----------------------	-------------------	------------------

Students will explore the various handbuilding techniques used in clay work to create fun, imaginative projects and pots. Instruction will be given in pinch-forming, sculpting, coil, and slab construction methods. Work produced may be functional and/or sculptural, and students will decorate their own pieces with colors and designs of their own choice. Finished pieces will then be glazed and fired by the instructor after the end of the camp session.

ROCK-N-RHYTHM	JUNE 6-10	9:30-12:30
----------------------	------------------	-------------------

We will give common everyday materials new lives as musical or rhythm instruments that shake, rattle, whistle and more. Projects will include a clay whistle and rain stick and pan pipes out of bamboo.

SPACE ODYSSEY	JUNE 13-17	1:30-4:30
----------------------	-------------------	------------------

Blast off into a galaxy of space theme projects. Fantasy meets fact as we explore our wonderful universe. Projects will include alien creature puppets, a clay UFO and a paper mache planet.

PET-O-RAMA	JUNE 20-24	1:30-4:30
-------------------	-------------------	------------------

Join us for a dog-gone good time this week as we make a variety of fun, original pet themed projects! Our favorite pets will provide inspiration for such creations as clay dog or cat banks, dog or cat portraits, refrigerator magnets, and painted note cards.

HORSING AROUND	JUNE 27-JULY 1	9:30-12:30
-----------------------	-----------------------	-------------------

All kids love horses! Using the allure and appeal of this beautiful, noble animal, we will create unusual and fun horse-themed art and decor. Some example of projects include sculpted clay horse head bookends, a decorative lucky horseshoe, and a batik wall banner. We'll have a galloping good time!

FABULOUS FIBER PLUS	JULY 25-29	9:30-12:30
----------------------------	-------------------	-------------------

In this camp we will explore various methods of working with fibers as one of the main components of our artworks. Other materials, such as clay, paper, beads, and dye will be combined with the fiber to construct original creations. Examples of projects a making a clay frame with woven fiber wall piece, a felted journal, and a macramé project.

WHAT A BREEZE!	AUG. 1-5	1:30-4:30
-----------------------	-----------------	------------------

Enjoy the sights and sounds that the wind can produce with these fun craft projects. During this camp we will make unique, colorful creations for the house and garden. Using a variety of media we will create windsocks, wind chimes, whirl-a-gigs, and kites.

13 YEARS + TUITION FOR EACH CAMP IS \$165 WITH A SUPPLY FEE OF \$25 PER CAMP.

THROWING	JUNE 20-24	1:30-4:30
-----------------	-------------------	------------------

Throw it like you mean it! Learn to use a potter's wheel -- no previous experience is required. Each week of classes will cover the basics of creating ceramic forms on the wheel, and more experienced students will continue to hone their skills. Instruction will include learning to trim their pots and using decorating techniques to personalize their work.

HANDBUILDING WITH CLAY	JULY 18-22	1:30-4:30
-------------------------------	-------------------	------------------

Students will explore the various handbuilding techniques used in clay work to create fun, imaginative projects and pots. Instruction will be given in pinch-forming, sculpting, coil, and slab construction methods. Work produced may be functional and/or sculptural, and students will decorate their own pieces with colors and designs of their own choice. Finished pieces will then be glazed and fired by the instructor after the end of the camp session.

PAPER, CARDS, BAGS AND BOXES	JUNE 27- JULY 1	1:30-4:30
-------------------------------------	------------------------	------------------

In this camp, we will explore various techniques for making and/or embellishing paper--such as marbling, stamping, collaging and distressing. Projects will include making lovely, decorated boxes, colorful coiled paper baskets, hand painted watercolor note cards, and artist trading cards.

FANTASTIC FUNKY FINDS JEWELRY	JULY 11-15	1:30-4:30
--------------------------------------	-------------------	------------------

Design and create original, handcrafted jewelry and accessories using unusual, unexpected, or recycled materials. Projects may include making a bracelet out of soda pop pull tabs, wire wrap jewelry, polymer clay creations, and imaginative use of paper.

YOUR PLACE, YOUR SPACE	JULY 25-29	1:30-4:30
-------------------------------	-------------------	------------------

Personalize your bedroom or other special place with original, unique decor that gives both a sense of style and a sense of self. Projects may include making a ceramic nightstand lamp with hand decorated shade, a batiked pillow case, and a mosaic framed mirror. Turn your room into an "Abode a la Mode"!

Students should wear old clothing and footwear, as many materials we will use will not wash out. NO FLIP-FLOPS! Each camp will take a 15 minute break so please provide your child with a small snack and drink each day.
